FAQ

Will I see less dust in my home?

Yes! EnviroMax stops 98% for a noticeably cleaner home.

How often do I need to replace the EnviroMax filter?

Once a year under normal residential use.

How does the EnviroMax filter compare to other filters?

The MERV 11 rated EnviroMax filters capture up to 98% of dust, significantly more than standard filters

Does the EnviroMax filter restrict airflow?

No, its unique design allows for better airflow than standard 1" filters.

My 1" filter says it lasts up to 90 days. Is that true?

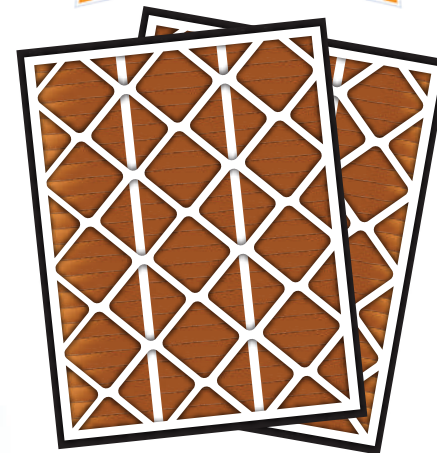

Standard 1" filters often need replacement every 30 days, even though they may claim to last up to 90 days.

WE ARE A FAMILY-OWNED BUSINESS SERVING THE HOUSTON AREA SINCE 1979, PROVIDING CLEAN AIR SOLUTIONS FOR BOTH COMMERCIAL AND RESIDENTIAL SYSTEMS.

"THE ONCE A YEAR A/C FILTER"

Less Dust, Less Allergies,
Less Money

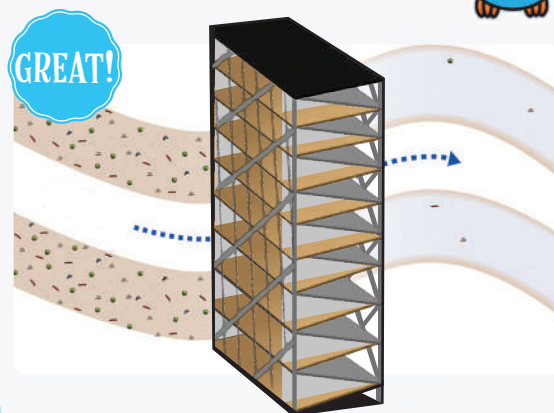

WHY CHOOSE THE 4" ENVIROMAX[®] FILTER OVER A 1" STANDARD FILTER?

Standard 1" Filter

- Change 12 Times a Year—Regular Maintenance Required
- Cost \$10–\$15/Month on Average
- More Costly Repairs & Services
- Clogged filters can lead to damage and higher repair costs.
- Stops Just 5-20% of Dust & Allergens
- Dirty Air = Increased Energy Bills
- Fill Landfills 12 Times a Year
- Increases environmental waste by replacing monthly.
- Only captures a fraction of pollutants compared to EnviroMax[®].

EnviroMax Filter

- Change Once a Year—No Monthly Hassle
- Cost as Little as \$5/Month
- Cleaner Air = Energy Savings
- Prolongs the life of your A/C system and reduces energy costs.
- Prevents ragweed, pollen, dust, pet dander, mold spores, dust mites, and more!
- Environmentally Friendly
- Reduce waste—only replace once a year.
- Stops Up to 98% of Contaminants

"I can already tell a difference in the air quality at home. No more dusting every week! The convenience of changing the filter just once a year is fantastic."

SARAH L.

"I was skeptical at first, but EnviroMax[®] really works. My allergies have improved, and my A/C is running more efficiently."

MARK T.
